Presidents Report

G'day Members

Another busy month coming up with plenty happening to satisfy all tastes.

By the time you read this many of us will have been to Ballarat Swap Meet and hopefully made a few dollars clearing some of the s&#t out our sheds and didn't get blown away or drenched. It's probably time for some nice weather at last (but we are talking about Ballarat!).

The club run to Nick and Kaye's house on the hill to watch the Tyabb Air Show will be a good day out. You get to save 50 bucks as well, so BYO everything and don't try to drive past the airport on Mornington-Tyabb Rd as the traffic jam is crazy.

On the same weekend the Phillip Island Classic car races kick off on the Friday for three days of classic racing and excitement, this is one of the best meetings in the world with over five hundred entries many coming from overseas.

On Sunday March the 15th we have a club run to Yarragon to Jimmy D's Diner for lunch, it is relatively new and very popular with the cruisers so come along for the ride and check it out. See the flyer elsewhere in the newsletter for more details and don't forget to reply to Lois.

Then we have the DLRA Speed week from March 23rd to 27th at Lake Gairdner, at this stage it looks like we have a few hardy souls trekking of to remote South Australia. There was some rain in the area early in February but it didn't affect the lake but the road in might be a bit rougher. The final inspection on the lake and surroundings will be on March 12th so check their website soon after. You wouldn't want to drive all the way out there only to find out the racing was cancelled – would you Jeff!

Stay safe out there and enjoy the wonderful Melbourne summer or was that winter, oh, it doesn't matter just wait five minutes and it'll change!

Cheers Steve.

Meeting Minutes

MINUTES MEETING - 2nd February 2020

Meeting opened at 7.15pm
26 Members & partners in attendance.

APOLOGIES:

Ross Anderson. Des Kelly.

Minutes of the December meeting were read by Lois. These were moved & accepted to be correct by Ian Barnes & Pauline Tregenza.

TREASURER'S REPORT:

Was given by President Steve in Chris's absence. This was moved & accepted by Shane Perry & Phil Marrinon.

PUBLIC RELATIONS REPORT:

Read by Bob Stertern-Gill. Newsletters received from SA Chevolution December 2019. January 2020. Bowtie from the Chev Club of Vic. December edition.

This is their last paper copy to be printed as now all newsletters will be online. Notification of 44th National Festival at Yarrawonga October 23rd to 26th.

GENERAL BUSINESS:

Steve thanked all those that came along to our first meeting of 2020. A meal of cold meat & salads was enjoyed by all. Thanks to Lois & Virginia for helping out.

Steve gave an update on the Salt Flat Racing to be held in March. Rachele Splatt will be racing along with cars & bikes coming out from the states. Steve & Karl are still going along with Jeff Wilson.

Hastings now has a cruise night with cars cruising High st.

RUNS:

Some members had attended the car show on New Years Day in Mornington. Once again plenty of cars with some not being able to enter as the venue was full. Some members also attended the Queenscliff Run in February. Once again a great weekend.

Lois & Steve. Bill & Kerin, Kaye & Nick attended the Port Fairy Run with Kaye & Nick picking up a Top 5 trophy, congratulations to them.

Lois & Steve also attended a car show in Crib Point in January.

Upcoming cruise night is Hastings Graffiti Night Feb 28th. 7.30 to 10.30 RAFFLE: was one by Andrew Sawyer, 2nd prize went to Joe Arena.

Meeting closed at 8pm

Letters From The Editors

Editor's / The Web Editor's Notes

Hi everyone,

So far, it has been a very busy and successful year for our club; with our first February meeting for the year and the great outcome at this years Hot Rod Show.

Later on this month, we have been invited to attend the Tyabb Airshow and we will have our first official 'Club Run' to Jimmy D's Diner at Yarragon (see Lois' lines section for further details). This will be a good opportunity to catch up with friends.

Another great event coming up is Speed Week at Lake Gairdner on March 23 to 27th. For further details, please refer to our president Steve.

Below is something I found all of us car lovers will relate to.....

'Being a car enthusiast is something that some people will never understand. It's not just a sport or something to do as a hobby. It's a way of life. Once you're in it, it's in your blood. Once you make that first upgrade, you can't stop. It's all about you and your ride, moments and memories including your ride, cruising, music playing and in your own little world, going to meets or events and showing off your ride. You smell that smoke, rubber, and race fuel & you feel peace within. When you hear those revving engines it's music to your ears. '

Cheers,

John

Ballarat swap meet was held last weekend and with 2700 sites over 60 acres and with a 14.5 kilometres walk to see it all, it is Australia's largest.

We (me, Sean & Ash) arrived a bit later than normal to set up on Thursday due to one of the crusty old trailer tyre treads deciding to part company, luckily the tyre stayed up as the steel belt managed to stay intact and we limped on to the local tyre power depot in Ballarat.

After two new tyres we got to the swap and set up camp, unloaded our parts and caught up with a few of the usual neighbours.

Over the next couple of days we sold a bit of stuff, bought more stuff than we sold (as usual), did a lot of walking and had a few beverages.

Got to keep the fluids up! Managed to catch up with Rowie and Mick a couple of times which helped with the fluid replacement side of things! Barnsey was out there somewhere – it's a big place.

Vice Pres Tony dropped in with a fender nearly as big as him! It seemed that the big (easy) sellers were any oil related product like oil racks, bottles and cans (and anything we didn't have!) Have to find me some of them for next year. With the summer rain that we've had it was the best conditions for a while, not too much dust or wind.

See you there next year.

Cheers Steve.

BALLARAT SWAP MEET

BALLARAT SWAP MEET

Lois's Lines

Great to see some of our members bring along their partners to our Feb meeting to enjoy a great meal of chicken, ham & salads.

We start off our year with our first run to Jimmy D's Diner at Yarragon. We hope to see some of our newer members coming along on March 15th. Check out all the details on the flyer in this newsletter. Please let me know if you are joining us for this run.

MAY MYSTERY RUN:

We are looking for someone to put up their hand to organise this year's May run. You have the choice of where we finish up, what we have for lunch, either at a venue, BBQ whatever you want. Please let me know if you are interested in organising this fun day.

TYABB AIR SHOW March 8th:

Kaye & Nick Duyvestyn have kindly invited us to their Tyabb property where we can sit back & watch the many planes flying overhead. If you are attending please let me know, also you will need to bring along a picnic lunch, drinks, chairs etc. **PLEASE NOTE** that the road is not sealed although it is only a short distance so you might not want to bring the classic along. The address is 18 Seaview rd Tyabb. You will not be able to enter through Tyabb as Mornington Tyabb rd will be closed off to traffic. You will need to enter from Coolart rd or turn off at Somerville into Jones rd.

CONGRATULATIONS:

To Michael & Lauren Rulach on their recent Marriage. Some of us have known Michael since he was a baby so it is lovely to see him now with a beautiful family. Best wishes to you both for a long happy life together.

Cheers Lois

RUN TO YARRAGON

SUNDAY MARCH 15TH

Here they are, America—for your approval! The fourteen big, brilliant, new models that Chevrolet is depending on to lead the parade again in 1934. Cars so true to every Chevrolet tradition of dependability—cars packed so full of the latest, most exciting *new things* of motoring—that the big question, for thousands of buyers, is not *whether* to choose a Chevrolet, but *which* Chevrolet model to choose. Each of these cars is built with the already famous "Knee-Action Wheels." In fact, Chevrolet is the lowest-priced car with that newest sensation in riding and driving. Chevrolet is also the only car *anywhere* to combine: An 80-h.p. Blue Streak Engine that delivers 80 smooth miles an hour with 12 per cent greater economy at touring speeds. Larger, roomier Fisher bodies with genuine Fisher Ventilation. New all-weather, cable-controlled brakes. A new Y-K frame that's 15 times stiffer than last year's. Big-car weight, big-car solidity and stability. And many other evidences of up-to-date engineering and up-to-date *thinking*. Once more this year, Chevrolet follows the policy which has given it five years of sales leadership out of the past seven: To add quality to quality. To pioneer the newest, *proven* advancements. To utilize every advantage of building the *most* motor cars—so as to build the *best* low-priced cars.
